

## OUR GOALS

That every family in RMPC would participate in the Building in Faith Campaign.

That God would use this campaign to provide \$750,000 over three years.

That the First Fruits offering of the Building in Faith Campaign would be \$100,000.

We are inviting you to be a vital part of the fulfillment of this vision by participating in the Building in Faith Campaign.

## THE VISION

God calls RMPC to be a community that lives under the rule of our gracious King and represents him to the world.

Our new building will be a kingdom embassy where citizens of heaven gather together and embody our homeland in front of a watching world.

An Embassy of the Kingdom is a place where:

- Our King Jesus Christ is worshipped.
  - The culture of the kingdom is displayed in our relationships.
- Our children and youth are nurtured in the truth and equipped to live faithfully for their King.
- People are introduced to Jesus Christ, discipled to maturity, and sent out as ambassadors to our city and the nations.

**BUILDING IN FAITH**  
AN EMBASSY OF THE KINGDOM

## THE NEED

Children's discipleship classrooms are at maximum capacity.

Adult discipleship classes need to be held offsite.

The sanctuary is nearing capacity on Sunday morning.

Insufficient office space for our growing staff.

In short, our building is holding us back from accomplishing our mission to the fullest.

## THE DETAILS

Current building size:  
**10,000 square feet**

New building size:  
**40,000 square feet**

A larger sanctuary

Plenty of classrooms for discipleship classes

Space for journey groups

Office space

A fellowship hall

Mercy ministry space

## THE COST

\$3 - 4 million

Half of the total cost would be financed through a mortgage.

One million would be provided by the sale of the current building.

We are trusting God to provide the rest through our Building in Faith capital campaign.
